RECEIVED
FEDERAL ELECTION
COMMISSION
OFFICE OF GENERAL
COUNSEL

MUR 4516

Federal Election Commission
Attn: F. Andrew Turley
Washington, DC 20463

Dear Mr. Turley:

I was disappointed to receive your latest letter denying my former Treasurer's request that you allow my long defunct 1996 campaign committee to cease filing quarterly reports. The more so, since I am unaware of what "enforcement action" you apparently have underway. This ignorance is perhaps explained by the fact that for over two years now you have persisted in mailing all correspondence to an address which ceased to exist in December of 1995. If you do nothing else, please start using a current address (see top of letterhead) for any further correspondence.

The Minnick for Senate campaign committee, which for some obscure reason you apparently insist continue to file reports, ceased collecting contributions, paid off all of its creditors, terminated all of its employees, and went out of existence fully one year ago and was recently reincorporated by the Secretary of State. Thus, I have no idea what it is you want me to continue to "report!" My senate race is now ancient history and I have moved on to other things.

What is it your office requires before you move on as well?

Very truly yours,

Walter C. Minnick
